DID YOU ATTEND ANY ON-PREMISE TRAINING BEFORE?

No

WILL YOU BE ABLE TO ATTEND THE PROGRAM ONSITE?

Yes

ARE YOU HAVING ANY DISABILITY THAT WE NEED TO BE AWARE OF?

No

TELL US 3 FUN/INTERESTING FACTS ABOUT YOURSELF

Spending time with family.
Interested in economics and investment.
I love traveling and desert places. One of my most enjoyable times is camping.
Passionate about sports, I played many sports but my favorite sport is ping pong and paddle.

WHY DO YOU WANT TO JOIN THE SUMMER ACADEMY AND WHY ARE YOU THE IDEAL CANDIDATE?

The Summer Academy is an excellent opportunity to learn about the latest developments in technology, network with experts in the field, and gain experience. It's also a chance to understand what the market needs to keep up with the evolving landscape.

As a highly skilled and motivated computer science student, I am confident that my diverse skill set and educational background make me an excellent candidate for this opportunity.

I have developed a strong foundation in data structures and algorithms. I am a quick learner, self-starter, and team player who is able to work under pressure and adapt to new challenges. I possess strong analytical, problem-solving, and communication skills, which are essential for collaborating with team members, understanding user requirements, and delivering high-quality solutions.

I am particularly interested in this opportunity because of the innovative and dynamic nature of the work at your organization. I am inspired by the mission to provide top-quality services and solutions to clients, and I am confident that an internship at your company would provide me with valuable experience and opportunities for growth.

HOW DID YOU HEAR ABOUT THE SUMMER ACADEMY?
